## George, White and Jones Retire

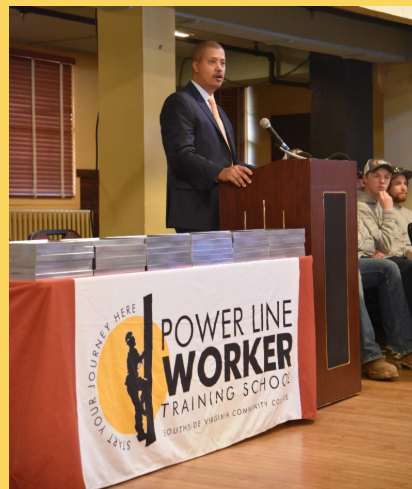

In a recent retirement celebration, Dr. Al Roberts, SVCC President had this to say.....Three very special people are taking their much-deserved retreat from SVCC and on to bigger and better activities: Ben George, Rhina Jones, and Anita White. There are many who have passed through these doors who have greatly benefitted from the expertise and commitment each of you had for the job. And many of us are better for knowing and having the pleasure of working with you, too.
