**WAIVER OF REQUIREMENTS OR CREDIT THROUGH ADVANCED STANDING BY EXPERIENTIAL LEARNING** Students who feel that previous educational studies, training programs, or work experience may entitle them to an adjustment in the coursework required in a particular curriculum should contact the Admissions Office Enrollment Information 21 to obtain a copy of the College form to request evaluation for Advanced Standing by Experiential Learning. The advanced placement function of the college is the administrative placement of a student beyond the basic or first courses(s) in a curriculum, allowing waiver of credit or college credit for subject matter and/or other appropriate training or experience. Advanced standing may be considered upon the submission of documentation on: (1) College Level Examination Programs (CLEP), (2) Advanced Placement Program (AP), (3) Subject Standardized Tests (SST) through DANTES/USAFI, (4) transfer credits from other regionally accredited post-secondary institutions, (5) equated occupational experience, (6) assessment of coursework with external agencies, (7) institutional credit by exam, (8) assessment of coursework with vocational technical schools, (9) military and non-traditional learning experiences, (10) waiver of physical education requirements for veterans, and (11) waiver of foreign language requirements. In transferring to a senior institution, it is the student's responsibility to contact the institution concerning the acceptability of credit awarded by advanced placement.
