

Cool Job Includes Hope

Hope Alexander's job is cool because she has spent her entire career caring for others. There is a quote, "Care for one, that's love, care for hundreds.... that's nursing." [Read More](#)

Nursing
Grads

Southside Virginia Community College is proud to announce 100% of the May 2018 graduates from the Associate Degree Nursing Program, successfully took and passed the NCLEX-RN licensing exam on the first attempt.

Dr. Michelle Edmonds, Dean of Nursing, Allied Health, and Natural Sciences stated "The faculty and students are to be commended for their success. SVCC graduates stand out among the top in their

profession and that is why our program is consistently ranked as one of the top community college programs in Virginia." [Read More](#)

SVCC Receives Funding for Solar Initiative

Virginia's Community Colleges recently announced a \$4 million economic investment over the next two years including support for FastForward workforce training in the rapidly growing field of utility-scale solar energy. Southside Virginia Community College (SVCC) is among the institutions to develop programs that can be expanded across the commonwealth as the demand grows for skilled workers in the solar energy field.
