

## TIPS FOR TAKING THE VPT

1. RELAX! This assessment is designed to help you succeed in college. Your score will help your navigator determine which courses are most appropriate for your current level of knowledge and skills.
2. Get plenty of rest the night before and eat properly the morning of your test.
3. If you allow yourself plenty of time for the test, you will experience less stress.
4. Review the directions for each test carefully. Ask questions if necessary.
5. Read each question carefully to ensure you understand the question. Some items require several steps, so be sure to consider all information.
6. Take time to check your answers on each test before moving on to the next segment. Do not be afraid to change an answer if you believe that your first choice was wrong.
7. Take your time! There is no time limit. You can always save and finish later
