- Grounds for termination (without refund): Students are subject to termination without refund when they have more than 5 absences for PL W and 1 absence for CDL, fail to successfully complete all field competencies, violate school-student conduct policy, or fail to meet all financial obligations. How to cancel or voluntarily terminate (Procedure for cancellation/termination by student): If a student chooses to terminate training, the student must notify the instructor in writing either by hand delivery or by mail. The student will then be subject to the school’s refund policy. If the student fails to notify the instructor of termination, the official termination date will be when the student has 6 absences.

  o In the case of student illness or accident, death in the family, or other circumstances beyond the control of the student, the student shall be entitled to consideration and the school shall make a settlement which is reasonable to both.

STUDY GUIDE FOR CLASS “A” COMMERCIAL LEARNER PERMIT (CLP)

In order to obtain the Class “A” CLP you need to take 3 written tests (General Knowledge, Air Brakes, & Combination Vehicles) through DMV. This can be done at any DMV Customer Service Center or if more convenient you can schedule to take the tests at the Occupational Technical Center, our Blackstone location. Once you score 80% or better on each test, a 1-year Class “A” CLP will be issued to you.

CDL Manuals are free and available at all DMV’s. We also have copy’s available for you to pick up at the Truck Driver Training School.

You can take all 3 tests at one time as long as you pass General Knowledge first. Some choose to focus only on GK until passing it, then concentrating on the final 2 sections. You can take these tests as many times as necessary but you must wait at least a day before a “retake”.

Through our students we have found that the best “study tool” can actually be downloaded, for free, on your smartphone. The app is CDLprep (Refer to the icons at the bottom of the page). Take the practice tests in the 3 sections and when you get to the point that you are scoring 80% or better on each section it’s an indication that you are ready to go to DMV and take the actual tests.

That's it! Pass those 3 and you have earned a Class 'A' CDL Learners Permit. Don't throw your driver's license away, yet. You must have both of the documents in your wallet for the permit to be valid. The permit is good for 12 months.

SUGGESTION: There is not a test on Chapter 3 -Transporting Cargo Safely -BUT there is lots of good info in that chapter which may help you when taking tests ONE, TWO, and THREE, so just READ IT.

Sample tests almost identical to the actual test can be found online at the app store.

Look for CDL Prep.

What to study in the CDL Manual from DMV:

FIRST TEST
Chapter 2 -Driving Safely -This is known as the General Knowledge Test. It is a 50 question test and you must get at least 40 correct. You can start studying for the test on page 2-8 at "Basic Control of Your Vehicle" (Just skip the first 7 pages in the Chapter)

SECOND TEST
Chapter 5 -Air Brakes. There are 30 questions on this test and you must get a least 24 correct. Study all of Chapter 5 in its entirety.

THIRD TEST
Chapter 6 -Combination Vehicles. There are 20 questions on this test and you must get at least 16 correct. Study all of Chapter 6 in its entirety.
Instructions for obtaining a DOT Physical and 5 Panel Drug Testing

You will need to contact a Medical Examiner who is listed on the Federal Motor Carrier Safety Administration’s National Registry to have your physical examiner’s certificate completed. The drug test is not part of the CDL physical. You may be able to have the drug testing completed during your physical but it needs to be requested. The 5-panel drug testing screens for marijuana, cocaine, amphetamines, opiates, and phencyclidine (PCP). Some DMV locations require the physical before they allow you to test. Please check with your local OMV.

If you can’t find a location in your area please contact the Truck Driver Training School 434-292-1650 for recommendations or visit this website for a listing of locations and enter your zip code:
https://nationalregistry.fmcsa.dot.gov

Please have drug testing results mailed, scanned, or faxed to:

Fax to: 434-292-4037
Scanned to: suzanne.shook@southside.edu

Today’s Date: __________________________

I, __________________________, am enrolling in: __________________________, as part of the New Economy Workforce Credential Grant Program (WCG). As a condition to receiving a grant, I agree to the following terms and conditions:

FOR STUDENTS RESPONSIBLE FOR PAYING FOR THEIR COURSE:

If I do not successfully complete the course by earning an “S” grade within thirty (30) days of the course end date, I agree to pay an additional 1/3 of the total course cost to: __________________________ Community College. If I earn an “S” grade within thirty (30) days of the program end date, I will not have any further financial obligations to the College for this course.

If I must pay an additional amount, I understand and agree to the following terms:

A. I agree that I must pay all the money I owe to the College, although there may be reasons under the law that would reduce the amount that I owe. I also agree not to claim that I do not owe the money to the College. This means that homestead and all other exemptions, presentations, demand, protest and notice of dishonor are hereby waived by the undersigned.

B. If the College does not receive payment within the timeframe noted in the College policy, I understand and agree that the Commonwealth will take all actions, including debt set-off, to collect the money I owe to the College.

C. I also agree to pay all associated collection costs and/or attorney’s fees if necessary to collect the money I owe to the College.

FOR STUDENTS WHOSE COMPANY IS PAYING FOR THEIR COURSE:

I understand in the case where the College has an agreement with my employer and/or sponsor covering my specific participation in this New Economy Workforce Credential Grant Program (WCG) course, I will not be responsible for the additional 1/3 of the total course cost should I not successfully complete the course by earning an “S” grade within thirty (30) days of the course end date. I acknowledge and understand that I may owe my employer and/or sponsor the additional 1/3 of the total course cost under a separate agreement or other arrangement if I do not successfully complete the course. I further acknowledge and understand that the College will bill my employer and/or sponsor the additional 1/3 of the total cost if I do not successfully complete the course by earning an “S” grade within thirty (30) days of the course end date. Accordingly, I hereby consent to the disclosure of my final grade to my employer and/or sponsor if it is necessary for the College to receive the final 1/3 of the total course cost or for any other legitimate educational reason related to the WCG course.

FOR ALL STUDENTS:

1. I understand the purpose of the WCG is to financially assist me to gain the knowledge AND the applicable industry recognized credential or licensure. 3. I am 18 years or older. If I am under 18 years old, a parent or legal guardian has completed this agreement on my behalf.

4. By reading and responding to the following questions, I will agree to the above terms and conditions of this agreement. I understand that I may sign this agreement by hand and may do so by contacting the College.

I agree that as a participant in the Power Line Worker program at Southside Virginia Community College (the “College”), I am responsible for my own behavior and well-being. I accept this condition of participation, and I acknowledge that I have been informed of the general nature of the risks involved in this program and its related activities. I acknowledge that this program includes tests of a person's physical and mental limits and carries the potential for death, serious injury, and property loss. The risks include, but are not limited to, those caused by terrain, facilities, temperature, weather, condition of participants, equipment, vehicular traffic, and a lack of hydration.

I understand that this program is physically demanding and requires that I work at significant heights, lift at least 75lbs, and work in all weather conditions with potentially dangerous equipment and materials.

I certify that I am physically fit for this program, and have not been advised not to participate by a qualified medical professional. I further certify that I have no physical or mental disabilities, impairments, chemical dependencies, or other health issues that might inhibit my safe participation in this program. I certify that I have medical health insurance coverage, and that I have recently had a complete physical examination.

I understand that in the event of accident or injury, personal judgment may be required by College personnel regarding what actions should be taken on my behalf. Nevertheless, I acknowledge that the College and College personnel may not legally owe me any duty to take any action on my behalf. I also understand that it is my responsibility to secure personal medical insurance in advance and to take into account my personal health and physical condition.

I further agree to abide by any and all specific requests by the College for my safety or the safety of others, as well as any and all of the College’s and the program’s rules and policies applicable to all activities related to this program. I understand that the College reserves the right to exclude my participation in this program if my participation or behavior is deemed detrimental to the safety or welfare of others.

In consideration for being permitted to participate in this program, and because I have agreed to assume the risks involved, I hereby agree that I am responsible for any resulting personal injury, damage to or loss of my property which may occur as a result of my participation or arising out of my participation in this program, unless any such personal injury, damage to or loss of my property is directly due to the negligence of the College, College personnel, or its agents. I understand that this Assumption of Risk form will remain in effect during the program and program-related activities, unless a specific revocation of this document is filed in writing with the College at which time my participation in the program will cease.

In case an emergency situation arises, please contact ____________________________ (name) at ____________________________ (phone number).

I acknowledge that I have read and fully understand this document. I further acknowledge that I am accepting these personal risks and conditions of my own free will.

I represent that I am 18 years of age or older and legally capable of entering into this agreement.

SVCC is a drug free training institution. It reserves the right to drug test any student(s) at any time, with or without cause. Student refusal to participate, or a positive test, will result in immediate expulsion with no refund of tuition.

**Drug Policy Acceptance Form**

All students are subject to random drug and alcohol testing while attending the Power Line Worker Training. If an individual tests positive for a controlled substance (Marijuana, Cocaine, Amphetamines, Opiates, or PCP) he/she will be removed from the program and will be considered medically unqualified to continue participating in the Power Line Worker Training. With one exception, the student will be dropped from the class without a refund.

**Exception:** The student elects to have the split sample tested and the result is negative. At that time, the MRO or Medical Review Officer will deem the initial test result as a “false positive” and reinstate that student back in to the program. The split sample will be tested at the students' expense, which could cost $150.00 or more.

All students are subject to random alcohol testing. If an individual tests at .02% or greater the student will be removed from the class and be given 24 hours to take another test (at his/her expense). If this result is .02% or greater the student will be dropped from the class without a refund.

A student that has been dropped from a class because of positive random result may enroll in a future class after being released to do so by a certified substance abuse professional. Tuition and fee expenses will apply.

All Negative dilute results will require another drug test at the student's expense.

I have read and understand the drug and alcohol testing policy and I agree to abide by the terms of the policy while enrolled in the Power Line Worker Training.

COVID 19 RETURN TO IN-PERSON CLASS

Student Health Safety Agreement

The health and well-being of our students, instructors and staff is our top priority. With the current and uncertain future of the COVID 19 Pandemic outbreak, it imperative we follow very specific guidelines until such time as the Pandemic ends.

This document provides guidelines for supporting the health of students, instructors, and college staff safe during the current COVID 19 pandemic for all in-person classes. As a condition for your return to class, you will be expected to practice and follow these guidelines consistently for the safety of not only yourself, but for others you will encounter at the college.

For my safety, the College will do the following:

- Maintain a commitment to keeping educational interruptions to a minimum and helping students stay on track to complete their programs of study;
- Initiate steps to mitigate the risk of transmission including thorough cleaning and disinfecting of classroom/lab areas at the conclusion of classes;
- Provide regular cleaning/disinfecting of common areas such as water fountains and restrooms;
- Quickly respond to student concerns and/or questions as they may arise; and
- Adapt, adjust, or change procedures or policies to adhere to CDC, state, or federal policy/guidelines.

Student Expectations:

As a student, I agree to the following conditions to return to class:

1. **I will not come to class sick or stay if I feel sick,** regardless of symptoms. I will contact my instructor so that he/she is aware and can make instructional accommodations if necessary. I will stay in touch regularly with my instructor until I return to class. If he/she has not provided me with contact information, I will contact the Office of the Vice-President for Academic and Workforce Programs at 434.736.2006;

2. **I will not come to class if I have been exposed to someone with COVID 19 or traveled to an area with a high incidence COVID 19. I will quarantine per CDC guidelines.** I will not come back to class until I have quarantined for a minimum of 14 days. I will contact my instructor so that he/she is aware and can make instructional accommodations if necessary, and I will stay in touch regularly until I return to class;

3. **If after attending a class, I find out that I was exposed to someone with COVID 19 outside of class,** I will contact my instructor immediately and quarantine per CDC guidelines. I will not come back to class until I have quarantined for at least 14 days. My instructor may make instructional accommodations if possible. I will stay in touch with my instructor until I return to class;

4. **If I am diagnosed with COVID 19,** I will not come to class. If I recently attended class, I will advise my instructor immediately of my diagnosis. I will stay in touch with my instructor as I am able. I will not return to class until a doctor/health professional verifies I have fully recovered, and I will contact Dr. Michelle Edmonds at 434.949.1006 as directed in the SVCC Reopening Plan.

5. **I will practice Social/Physical Distancing and will not congregate** before, during, or after class, or during breaks. I will leave the classroom, building, and campus promptly when my last class ends;

6. **I will wear a protective face covering (mask) to all in-person classes.** This will be required for class admission until such time as I am directed to discontinue. Other Personal Protective Equipment (PPE) may be required by the college or by my instructor. Failure to wear a face covering and required PPE while on campus may result in being asked to leave as well as possible dismissal from class;

7. **I will be prepared if this in-person class is moved online.** In the event of a new outbreak or change in state guidelines, I understand it is possible my class may be moved online, fully or partially. I understand that if my class is moved online, I will need access to technology and internet with as little as 24 hours notice, and;

8. **RECOMMENDATION: I should sign up for the SVCC Alert** (text "svccalert" to 866777) so that I will receive school-wide notifications and updates on email. Among other closing, but also about other emergency information I should know.

9. **Internet Access.** If I do not have access to technology/internet access when off-campus, I will alert my instructor at the start of class so that other accommodations can be made in the event of a need to fully online coursework.

Signature

By signing below, I agree to the above Student Expectations as a condition of returning to campus for in-person classes. If, at any time, I fail to follow any of these conditions, I understand I may be dismissed from my class without a refund. This agreement will become part of the class record.
