## Online Preparation Resources for the ATI-TEAS-7 Pre-Admission Exam for Nursing Programs at SVCC

The **ATI-TEAS Study Manual, Seventh Edition**, is published by the makers of the test, Assessment Technologies Institute, L.L.C. (ATI). ATI also sells online practice tests and a variety of study packages, available at: <https://www.atitesting.com/teas-prep>

The following sites offer practice tests and tutorials on content you may encounter on the ATI-TEAS.

**Free Online Practice Tests** These are NOT from ATI. When you search online for TEAS practice questions, make sure what you find is based on the ATI-TEAS 7. However, Version 7 is new and ATI has indicated that most (not all) of the content is the same between 6 and 7, but 7 has alternate test question formats.

<https://teas-prep.com/> - Practice tests give feedback and rationale after every question.

<https://nursehub.com/teas-7-free-practice-tests/> - Practice tests give feedback/rationale.

[http://www.testprepreview.com/teas\\_practice.htm](http://www.testprepreview.com/teas_practice.htm) Scroll to find free practice tests.

<http://tests.com/> -Enter TEAS in Search box under "Find Tests". Thirty free questions there.

### General Review Sites:

<https://www.khanacademy.org/> - Click on "Subjects". Math, science, also SAT prep section which can be helpful for test-taking

<https://www.registerednursing.org/teas/> - Addresses specific objectives tested on ATI-TEAS 6, helpful for Version 7 as well.

### Reading and English Language-Specific Sites:

<https://www.thoughtco.com/reading-comprehension-questions-3211739> – Worksheets/ tutorials on reading comprehension, main idea, author's purpose, inferences, etc.

<https://www.englishforeveryone.org/Topics/Reading-Comprehension.html> Scroll down to "Critical Thinking Reading Comprehension Worksheets". Also browse other categories on left of screen for Grammar, Spelling, Punctuation, etc. practice.

<http://englishteststore.net/> - Many English language resources!

<http://quizlet.com/207969/100-most-common-sat-words-flash-cards/> Useful for increasing general vocabulary

### Math-Specific Sites:

<https://www.bcraftmath.com/atiteas.html> Printable TEAS Math practice test with videos of solutions. Also find math video tutorials - organized by objectives in ATI-TEAS Study Manual math section.

<https://www.brightstorm.com/math/> Instructional math videos! Browse for other subjects – Science, English

[www.coolmath.com](http://www.coolmath.com) A valuable math resource - basic arithmetic-advanced math - with sense of humor & fun

<https://www.purplemath.com/>

### Science-Specific Sites:

**Scientific Reasoning (aka Scientific Method):** [https://www.sciencemadesimple.com/scientific\\_method.html](https://www.sciencemadesimple.com/scientific_method.html)

["Real Life" Scientific Method from Berkeley.edu](#) & [Khan Academy Video on Scientific Method](#)

**Biology** – Crash Course Biology <https://thecrashcourse.com/courses/biology>

(Search for and start with "Carbon"- also here: [https://www.youtube.com/watch?v=QnQe0xW\\_JY4](https://www.youtube.com/watch?v=QnQe0xW_JY4))

**Cells:** <http://www.cellsalive.com/>

**Genetics:** <http://learn.genetics.utah.edu/>

**Chemistry** -Crash Course Chemistry: <https://thecrashcourse.com/courses/chemistry> (Start with "The Nucleus")

<http://www.chem4kids.com/> - Not just for kids!

<https://www.thoughtco.com/how-to-use-a-periodic-table-608807> How to use a periodic table

**Human Body** - Crash Course Anatomy: <https://thecrashcourse.com/courses/anatomy> (Start with Introduction)

Interactive A&P sites: <https://www.innerbody.com/html/body.html> - <http://www.getbodysmart.com/>

**All of the above:** <https://www.sciencewithsusanna.com/> - Recommended by a SVCC Student

**Mental Prep!** <https://www.happier.com/blog/10-simple-ways-to-catch-your-breath-when-youre-totally-stressed-out>
